

# Dentons Hong Kong webinar: Anatomy of structured products

DENTONS

October 14, 2020

Dentons Hong Kong hosted a webinar on anatomy of structured products. During this one-hour webinar, Jeff Chen gave a step-by-step introduction to the anatomy of how structured products are put together. He also related his experience on the unwinding of “Lehman minibonds” in Hong Kong and the implications for “wealth management products” in China.
