Dentons Hong Kong Managing Partner Keith Brandt has been named one of the Top 15 Litigators in Asia by *Asian Legal Business* (ALB). Receiving this ranking signifies the high level of respect that the lawyers have gained from their clients for their professionalism and their abilities to handle complicated cases.

"I am deeply honored and humbled to be named one of Asia's Top 15 Litigators after practicing for over 35 years," said Keith. "I work with a terrific team of lawyers at Dentons Hong Kong who are at the top of their fields, and a ranking like this is not possible without everyone's efforts and hard work. I am merely a reflection of our team's success."

ALB is owned by Thomson Reuters, the world's leading source of intelligent information for business and professionals and this is its first-ever ranking for recognising Asia's Top 15 Litigators. The lawyers named in the list have stood out based on profiles of cases handled, client recommendations, the use of technology to minimise the impact of the COVID-19 pandemic and more.
