

October 20, 2021

With increased focus on ESG and sustainability in Asia among Asian families and family offices community, Vivien Teu, Partner and Head of Asset Management & ESG of Dentons Hong Kong was invited to speak on “Legal Perspectives on Sustainability for Family Offices” at the Family Office Solutions Showcase Outreach Summits - Greater Bay Area organized by the Association of Family Offices in Asia. She spoke about sustainability issues for Asia family businesses, Hong Kong stock exchange ESG reporting requirements for listed companies, corporate strategy, purpose and values, and key considerations in the sustainability journey, impact investing and family legacy for Asia family enterprises and family offices. Association of Family Offices in Asia is a professional society in Asia that distinctively gathers single and multi-family offices, the co-investors, solution providers and industry societies that serve family offices.
